## Pied Pipers Tie With Rule For Second

Hamlin High School's Pied Piper basketball team is tied with Rule for second place in District 5-A East conference standings. Coaches L. B. Howard and Melvin Carlton said this week. Throckmorton is leading the seven-team district.

The Pipers drew a bye and were tied in conference play this week, but held tight to their second place rung by virtue of a 36 to 21 lacing administered by the Haskell Indians Friday night. Brad Roland was high point man with 14 points. Roland is placed closely by Billy Franks for season scoring honors.

So far this season the Pipers have won 16 games and lost six, the coaches records reveal. Due to the fact the new gym is still uncompleted, no home games have been played and only a handful of local fans have seen the Pipers in action on the hardwood.

Last week-end the team, at Avoca 36 to 28 in the finals to win the Avoca tournament. They had previously won the Sylvester tournament and were runners-up at Colorado City.

Friday night the locals will meet the loopleading Throckmorton Panthers there and next Tuesday night will play Albany, probably at Anson. On February 6 (Thursday) they will play at Rule.

## Car Theft Suspect Captured By Hamlin Officers

Robert Cannon, 22, of Abilene is in the Jones County jail at Anson, following his arrest early Saturday morning by City Marshall J. H. Foster and night watchman, R. Branscum, on suspicion of theft of a pickup at Abilene, and two cars, one from Anson and another from Hamlin.

Chief Foster telephoned Sheriff Bill Dunwoody about 10:30 Friday night to report the theft of a '40 Ford belonging to Forest Perkins of Sylvester from the Hamlin streets. In turn, the sheriff reported that a pickup had been stolen in Abilene earlier in the evening and later a '38 Plymouth coupe had been taken from Anson after the pick-up had been found abandoned minus a tire and wheel.

The sheriff, Foster and Branscum began the chase from here and at Aspermont the sheriff continued on highway 83 to Paducah and the Hamlin officers went toward Post. Just on the Stonewall-Kent county lines, about 3:10 a. m. they found the Perkins car stalled with the young man inside. They arrested Cannon and brought him to Hamlin and Sheriff Dunwoody carried him to Anson jail when he returned Saturday morning after having gone as far as Childress in search for the suspect.

Cannon is also suspected being in the burglary of a Hawley car at station the same night. Some of the loot was recovered from the abandoned pick-up and he also admits having sold two new Siberling tires to the person or persons who picked him up between Anson and Hamlin after the Plymouth car rods had been turned out.

Foster would like to contact the person or persons who brought the young man into Hamlin.

## Violinist Next Artist On Season's Schedule For Stamford Group

Louis Kaufman, violinist, of whom no critic wrote: "Kaufman is one of the scant half-dozen living violinists who may be called great in both virtuosity and musicianship," will be presented by the Stamford Civic Club association on Tuesday evening, February 4, it has been announced by Mrs. Tony Selman. He is particularly well known as an expert of new music.

A number of Hamlin people are members of the association, and a member attended the concert given by Metropolitan Opera star, Robert Merrill, last Thursday evening.

## Hamlin FFA Boys Growing Lots Of Beef In Feeding Project

Most folks will be excused for "drooling" a little at the sight of all the above steaks and roasts on the hoof. Pictured are some of the Hamlin FFA boys and their project calves. In the picture, left to right, F. W. Poe, Kenneth Treadwell, Donald Young and his calf, "Dynamite", the group's fastest gainer, an identified man, Jack Willingham, Eldon Campbell, Dale Brown, Alton Kite, J. M. Wells, Callen George and Lawayne Long. (Story elsewhere.)

## FFA Livestock and Poultry Show to be Held at Migratory Labor Center

### Prize List Of \$150 To Winners In Six Departments

Plans were virtually completed this week for the annual Hamlin FFA Livestock and Poultry Project Show which will be held Saturday, February 8, at the Migratory Labor Center, west of Roland's Service Station. Prizes totaling \$150 will be awarded to the winners in five departments, it was said.

Show Superintendent will be Joe Culbertson, who will be aided by Fre B. Moore Jr., superintendent of beef calves, Mac Reynolds, superintendent of Jerseys, Bill Matchett, superintendent of hogs and Ivy Witt, superintendent of chickens.

Department A is for fat beef calves with a prize list totaling \$58.00. There will be four classes, dry lot fed steers of all weights, milk fed steers under 850 pounds, milk fed steers over 825 and the Grand Champion Fat Steer.

Department B is for fat barrows and open gilts, with a prize list of \$30.00. Classes are barrows and open gilts 180 pounds and under, over 180 pounds, grand champion fat hog and reserve champion.

Department C is for fat capons, with prizes of \$10.00, including single capons, all weights, pen of three capons, grand champion and reserve champion.

Department D is for breeding hogs, prize list totaling \$10.00 for the following: gilts, sows who have farrowed one or more litters, and champion sow or gilt.

Department E is for breeding chickens, in which prizes total \$18.00. Prizes will be given for single pullets, single hens, single cockerel, single cock, pen of three pullets, pen of two pullets and one cockerel, grand champion and reserve champion female.

Department F is for Jerseys and a total of \$24.00 will be awarded winners. Classes are for female calves under one year, heifers of one and two years, Jersey cows, grand champion Jersey and reserve champion.

A large number of entries are anticipated and Mr. Blankenship and the boys are expecting to have a good show.

### Hamlin Boy Captains Cowboy Cage Team

Hardin Simmon's Cowboy basketball team will resume Border Conference competition Friday night when they tangle with the Texas Tech Red Raiders. The game will find the two top football teams battling for lower position in the basketball race. The Cowboys have lost five and the Raiders four.

With only two victories this year to their credit the Cowboys obviously are not an overconfident lot. Neither are they discouraged. Of the entire squad only Capt. Bill Scott of Hamlin, former Pied Piper and A. B. Foster of Clyde, have been previously paired together in basketball as they are the only two with previous college experience on the hardwood.

The team is beginning losing some of its greenies and Capt. Scott is expected to lead the squad to more victories in the future.

### Missionary Baptist Church Launching Building Campaign

Calvary Missionary Church is launching a building campaign, according to the pastor, W. E. Dunn. Six Sunday School rooms are to be added to the auditorium.

"These rooms are badly needed, as here-to-fore all classes have been, and are at present compelled to meet in the auditorium, but this is too crowded and is not satisfactory. We wish to make this announcement to you, and are glad to do so. If you feel like you want to have a part in this good work we would be glad to receive a liberal donation to help us with this work. It will cost quite a lot, but will be worth much more to the church and to the community, than it cost."

### Cpl. John Edwards Is Enroute Home

Cpl. John Edwards, who has been serving with the Army Air Corps in Germany, received his discharge this week at Fort Dix, New Jersey and is enroute home, according to word received by his wife.

Mrs. Edwards is the former Miss Earlene Johnson. He is the son of Mr. and Mrs. J. E. Edwards of Euless.

Cpl. Edwards expects to arrive here Monday.

### Lt. L. R. King Is Transferred

Randolph Field, Texas, 22 Jan.—1st Lt. Lawrence R. King, grandson of Mr. and Mrs. J. S. King, Hamlin, Texas, is reporting to Counter-Intelligence School at Baltimore, Maryland. Lt. King has been stationed at Randolph Field where he has served as Classification Officer.

Lt. King received his wings at Luke AAF, and is a veteran of 18 months in the China-Burma-India theater as a P-47 pilot.

### Fisher County Swine Breeder To Organize

According to an announcement by Fisher County farm agent L. M. Tuberville, swine breeders of that county will meet at Roby next Tuesday, February 4 to organize a county-wide breeders association. Interest seems to be certainly on Hampshire and Duroc hogs.

### Cowboy Reunion Set for July 2, 3, 4

Annual showing of the Texas Reunion will be held July 2, 3 and 4 according to the directors.

American Quarterhorse association has been invited to hold its seventh official American Quarterhorse show also at this 17th annual reunion at Stamford. Another stall will be added this year to house the quarterhorse.

Many improvements have been planned including a cowboy lounge room, rest-rooms for both men and women, a powder room for cowgirl sponsors, and a soft drink sales room; exhaust fans in the Pavilion building; additional stall barns; improvements and renovation of bleachers; increase of size and facilities of the cowboy cook shack.

### Colored Schools Of Four County Area Form Conference

A basketball conference named the "Big 4 Athletic Conference" has recently been organized among colored schools. The group takes its name from the fact membership represents four counties, Jones, Fisher, Nolan and Mitchell.

In addition to Hamlin colored school, other member towns are Rotan, Longworth, Colorado City, Sweetwater and Loriane.

The schools will play a regular schedule of conference games and trophies will be awarded to the champion in both boys and girls divisions.

### Two New Sunday School Classes At First Baptist

Two new classes are being organized in the adult department of the First Baptist Church and will hold their first meetings next Sunday, February 2.

The Ruth Class is being divided with those ladies under 24 years of age becoming members of the new class. Mrs. A. Spencer, teacher, will continue to teach the Ruth Class which will consist of those members from 24 through 30 years.

R. A. Dean of Texas Tech, Lubbock, spent Monday and Tuesday here with his mother, Mrs. R. S. Dean.

## Hamlin FFA Boys Show Conclusively that Good Feeding Practices Pay Off In Recent Beef Production Projects

Seventeen vocational agricultural students of Hamlin High School, all taking part in the 1946-47 Beef Calf Projects of the local chapter of the Future Farmers of America are proving conclusively that good feeding practices will pay off in more beef, according to figures compiled by their Advisor, T. C. Blankenship, vocational agricultural instructor.

Accurate records have been kept on the beef calves and they reveal some interesting things.

Donald Young's calf "Sweet Pea" was number one in the group of seventeen. The calf was dropped on

March 18, 1946 and weighed 290 pounds when it's feeding period started on July 13. On the day the calves were all brought to Hamlin and weighed, "Sweet Pea" weighed 780 pounds, a gain of 490 pounds or an average of 3.04 pounds per day for 161 days.

Sumner 2 in the group was "Dynamite", belonging to Jack Willingham. Dropped on March 25, the calf's initial weight was 130 pounds and gained 665 pounds for an average of 2.83 pounds while on feed 235 days.

Calen George's "Y-6" was the third best in average daily gains. Dropped in February, "Y-6" went from 175

## Eskota Well Good for 1,200 Barrels Daily

### Important Legion Meeting To Be Held Monday Night

Members of the American Legion Post Keifer Patterson 146 are urged to attend the regular meeting of that organization Monday night. Some very important business matters are to be discussed according to Joe Culbertson, post commander and Fred Smith, adjutant.

The meeting will begin at 7:30 at Legion Hall.

The 17th District Convention will be held at Stephenville February 15 and 16, Mr. Culbertson stated, and many local members are making plans now to attend.

### Young People To Be In Charge Of Nazarene Services

"Letting our young people share the responsibility of the church will be a thrilling adventurous challenge of stewardship next Sunday morning at the Nazarene Church", according to the pastor, Rev. J. T. Crawford.

The following youths will take charge of the Sunday School Services: Dan Jones, Superintendent; Inez LaBaume, Song Leader; Ojeda White, Pianist; Marvine White, Assistant Secretary; Ralph Johnson, Men's Bible Class; Dena Lois Sharer, Women's Bible Class; Maggie Mae Seymore, Mr. Westbrook's Class; Sue Jones, Young Married Folks Class; Beth White, Mrs. Herman's Class; Milton Johnson, Boys Class; Mrs. Clarence Garrett, Sunshine Class and Lois LaBaume, Card Class.

"Our purpose is to help 'Give Christ to the Nations', it was stated. 'Come and boost our young people next Sunday at 9:45 o'clock."

### Calvary Baptist Radio Program Saturday

North Colorado Missionary Baptist Association will bring to the public the ninth weekly Gospel Broadcast at 12:30 Saturday afternoon. The program this week will be in charge of Eld. W. E. Nunn, local pastor of the Calvary Missionary church. The service is broadcast from 12:30 to 1:00 o'clock over Station KXOX, Sweetwater at 1240 kc.

The public is invited to tune in and hear these programs.

### Intermediates To Sponsor Baptist Hour Of Power

Intermediate Department of the First Baptist Church is to sponsor the "Hour of Power" program over Station KXOX, Sweetwater Saturday afternoon. This group will pay for the time to be used on the radio and the entire service will be dedicated to their department.

The program begins at five o'clock and continues for thirty minutes and includes a sermon by the pastor, Rev. John Osteen and songs by the quartet.

Mr. and Mrs. I. R. Witt are in Dallas this week to attend the Gift Show.

Winnie Fay Hassen attended the wedding of a cousin, Miss Margaret Lake, in Dallas Saturday evening.

### Activity In Jones County On Increase

Good news for the Hamlin area came this week in the announcement that official gauge of the Skelly No. 4 A Huddleson, offset to the Eskota pool discovery in Fisher County was 1,219 barrels of 43.3 gravity of daily test through open two-inch tubing from the reef at 4,404-23 feet. The pool's discovery well gauged 805 barrels.

In Fisher County, three miles southeast of Sylvester, the Pettigrew No. 1 Rufus Herbst has been abandoned as dry with no shows recorded.

Activity in Jones County began to pick up again sharply this week following the Christmas and bad weather lull. Records show one wildcat spudded, two others getting ready and two pool extension tries slated to start soon.

Surface casing has been set on the Western Jones County wildcat at five mile east of the Swan pool. This is a scheduled 4,800 foot rotary test.

Pits and roads have been built and rigging has started up on a wildcat southeast of Anson, the McCarthy Oil & Gas No. 1 Conell Wahl No. 1 Meadows, near Nugent.

In the Minter field south of Hamlin rigging up has been completed an surface casing set as crews prepare to drill the 3,500 foot Autry et al No. 2 Minter, southwest offset to the field opener.

A north outpost to the Jones county side of the Reddin pool has been announced as the Wilson et al No. 1 Hardy. The well is to test through the regular field pays, and possibly deeper. Definite starting date has not been set.

Special oil movement permit was issued last week and potential gauge scheduled Monday for the Jones county Flippin sand discovery two miles southwest of Radium, Walter K. and Byron W. Jones No. 1 Chittenden estate, 330 feet from the south and west lines of the northeast quarter of lot 26 league 335 Louis Kratz survey.

## Nine-County REA Meeting Will Be Held At Roby

Annual membership meeting of all Midwest Electric Cooperative customers in Scurry, Fisher, Jones, Mitchell, Nolan, Borden, Stonewall, Kent and Garza counties will be held at Roby Saturday, February 1, according to an announcement by Lon Adams, of Roby, superintendent.

The meeting will begin at 1:30 p. m. in the Albritton & Boyd building. An interesting program has been planned with reports from all officers. New officers will be elected at the close of the meeting.

Climax of the program will be the drawing of prizes, including a seven-foot refrigerator, electric mixer, roaster, six electric irons and many others.

Prize donations are from merchants at Hamlin, Snyder, Roby, Rotan and Stamford.

### Speaks To Camp Fire Workers Here

Mrs. Alice Stockdale, area executive of Campfire work, spoke to a group of Campfire girls, sponsors and others interested in this work, Tuesday evening at the high school.

Mrs. Stockdale gave some very interesting facts and ideas on the purpose and scope of Campfire work and its relation to the home and social life of the girl. The high point of interest in her talk was the announcement of the visit of Miss Kempthorne to West Texas Area in the celebration of the birthday of Campfire. Miss Kempthorne, the founder of Campfire work, spent many years in Australia. On March 7, she will help West Texas Campfire Girls celebrate the 35th birthday of the organization.

At the close of the discussion, games and singing were enjoyed. Those attending the meeting were Odayo Campfire Group, the Guardian, Mrs. C. Denton, Mrs. L. V. Miller, Mrs. Roy H. Brown and daughter, Kathryn Ritchie, and Miss Stockdale, Haskell.

### How Long Will The Eggs Last?

One of the immediate questions of the time is just how far labor can go in its program of more money for less work and still leave solvent industry to provide jobs.

The CIO claims that industry can boost wages by around \$6,000,000,000 a year without raising prices, a statement which recent wage-price trends completely contradict. On top of such demands for increased wages, it is estimated that labor may now sue industry for as much as \$6,000,000,000 in back pay for time spent in getting to work. This "portal-to-portal" pay is an indirect means of raising wages with no increase whatever in worker productivity—paying men for inactive hours. In other words, labor costs are again skyrocketing.

Industry and the consumer look like a plump goose—but labor may wake up one morning and find the goose is no longer able to provide the golden eggs that mean employment.

The Russians have always been vastly impressed with American know-how. One American mechanic who worked in a watch repair shop in Berlin said a Russian waled in with a clock under his arm and requested, "Please take this apart and make wrist watches out of it."

### WHAT CONTEMPORARIES ARE SAYING

#### WHAT ABOUT OUR UNDER PAID SCHOOL TEACHERS?

That school teachers are notoriously underpaid is a well-known and undisputed fact. For years the situation has gone from bad to worse until at the present time, 95 per cent of the school teachers in Texas would be unable to feed and clothe themselves adequately if it were not for outside help. . . additional work such as clerking, gift wrapping, farming, driving a bus, working in a service station, or the fact that the husband and wife, son or daughter also works to add a few dollars to the family funds.

We need look no further than our own schools in Anson and Jones County. The average "take home pay" per teacher of the 40 teachers in the Jones County Common School Districts is only \$105.96 per month; the average "take home pay" for 24 Anson Independent School District teachers is only \$106.58. By "take home pay" we mean the actual amount of the check after tax deductions, teacher retirement assessments, etc.

There are four teachers in the Jones County common school and Anson Independent School districts whose "take home pay" is more than \$175.00 per month. The high school superintendent receives \$243.08; the high school principal, \$205.67; the coach, \$187.10; the superintendent of a seven teacher school, \$178.45; and the principal of the ward school, \$171.80.

Twenty-five teachers of the 64 actually get less than \$100 per month. Can you imagine it? And they are the people whom the taxpayers expect to live well, dress well, meet us their equals in every respect, setting the BEST examples for our sons and daughters, take part in all community affairs.—Western Observer.

**LONE STAR GAS COMPANY****More Dependent Parents Eligible For Benefits**

A larger number of dependent parents will be eligible for monthly survivors payments under the Social Security Act because of two changes that were made in that Act, effective January 1, 1947. This announcement was made today by Ralph T. Fisher, manager of the Abilene office of the Social Security Administration.

Under previous provisions of the law the parent could not become eligible for benefits if a widow or unmarried child under 18 survived. Under the new law the survival of such child or widow will not bar the parent unless such child or widow can be entitled to monthly payments either immediately or at a latter date. The parent thus may be eligible in cases where the widow was not living with the worker at the time of his death, and in cases where the children were not "dependent." Monthly payments cannot be made unless the parent was dependent; proof of such dependency must be filed within two years of the date of the workers death, although the monthly payments are not due until the parent becomes 65.

The 1946 amendments also change the wording of the law to read "chiefly dependent" instead of "wholly dependent." The parent must still have received the major portion of his support from the son daughter who has died, but this

change will make a number of parents eligible who could not otherwise qualify.

Any questions about these amendments should be submitted to the nearest office of the Social Security Administrator. The Abilene Office is located at 205 Alexander Building.

**S. R. Canfield, Former Resident, Dies in Oklahoma**

S. R. Canfield, 59, passed away at Bethany, Oklahoma after a lingering illness of two years.

Funeral services were held Sunday Jan. 20 at three o'clock in Bethany with Rev. Phillips, formerly of Hamlin, Rev. B. F. Neely and Rev. Strange officiating.

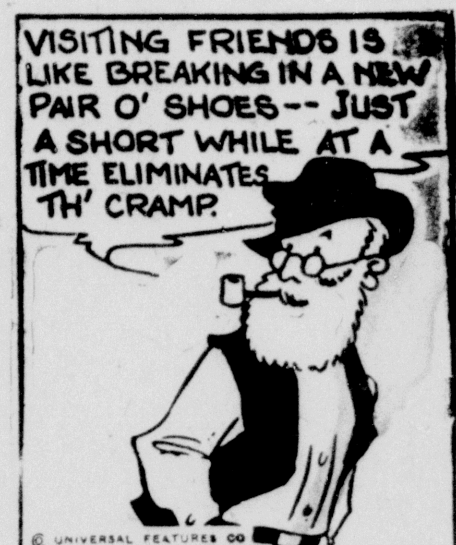

He is survived by his wife; two daughters, Mrs. Bart Smith, Dallas and Mrs. Buford Ingram, Bethany; one son, E. R. Canfield, Upland, California; six grandchildren; two brothers, Sing Canfield, Del Rio and Cloyd Canfield, Mineral Wells, and one sister, Mrs. Nina Harris, Eldorado Aransas. A niece, Mrs. Leo Ryan of here, also survives.

A sister, Mrs. Hattie Taylor of Hamlin, preceded him in death in May, 1946.

Mrs. Ella Burns, a sister-in-law of here, attended the final rites at Bethany.

### How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

SOIL CONSERVATION  
DISTRICT NEWS

Winter legumes are gaining recognition in California Creek Dis-

trict just as they are in many others in this area of Texas. Starting with less than two hundred acres last year they have pyramided to more than two thousand this year.

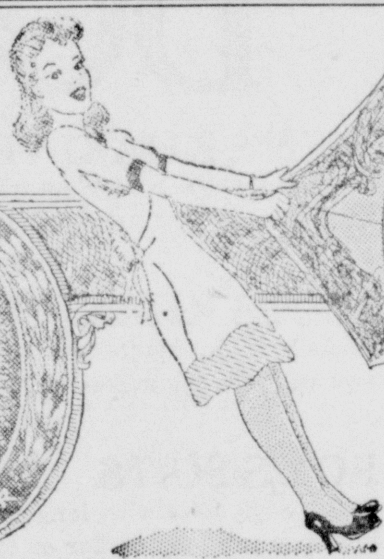

Farmers in the portion of Jones County covered by this district, north three-fifths, have applied to the Production Marketing Administration (AAA) for conservation payment this season on 10,000 pounds of austrain winter peas and 3,000 pounds of hairy vetch seed. According to Marvin Leonard, Administrative Officer of the Jones County PMA, there are others who have not reported their purchases of these seeds as yet.

Joe Harper, Administrative Officer of the Haskell County PMA, reported applications for payment on 30,000 pounds of winter peas and 450 pounds of vetch from Haskell county farmers living in this district (South three-fifths of the county).

According to PMA records from these two counties this brings the total within the district to 40,000 pounds of peas and 3450 pounds of vetch. This report does not include data from Fisher, Shackelford and Throckmorton counties, a portion of which are within the California Creek District.

Reports coming into the work unit since the recent severe cold spell indicate that little or no damage is apparent in hairy vetch and austrain winter peas. The damage to alfalfa and fall planted madrid clover was also insignificant.

Much of the fall planted hubam clover was killed back to the ground, but apparently was still alive and putting a new growth near the surface. Hiram Olson said that even though some of his hubam may have been killed there is still enough to make a good stand.

## Educator Urges Bright Side of Teaching To Be Emphasized

Austin—A recruitment program in Texas high school emphasizing the advantages of teaching has been proposed by Dr. C. C. Colvert, professor of educational administration at the University of Texas.

"We should quit talking about teaching as the worst paid profession and emphasize it as a quest and a satisfaction," he said. He declares that there should be more general knowledge of teacher tenure, contracts, and teacher retirement, for these things give permanency and security to the profession. Teaching should be a real profession, backed by adequate research, he said.

## Veterans Reminded Of Certain Benefits

Veterans Administration is reminding World War II veterans of important deadlines for benefits to which they are entitled.

Approximately 10,000,000 veterans who left their G. I. term insurance lapse, may reinstate this insurance on or before February 1, 1947, without a physical examination by signing a statement that their health is as good now as when their policies lapsed, and by paying for only two months.

Deadlines for several other benefits will be set automatically when the President or Congress officially declares World War II ended.

## Increased Activity May Create Strong Demand for Cotton

Austin—Increased activity in cotton market, and a strong demand for cotton is predicted by Dr. A. E. Cox, University of Texas professor of cotton marketing.

"The market is now on a considerable higher level than at this time last year," Dr. Cox said, "and there is the same type of inverted market as last year but in a much more pronounced degree."

## Ford Dealers Happy Over Car Price Reduction

Hamlin Motor Company, local Ford Dealers, last week were notified that price on Ford cars would go down from \$15 to \$50 per car. Art and Stanley Carmichael, firm fellers, are happy about the reduction.

The complete statement, received by them a lengthy telegram follows: "The Ford Company, in a move to halt the spiral of mounting costs and prices, reduced the price of every Ford car from \$15 to \$50.

"In making the announcement, Henry Ford II, said—

"Although more than one million of our customers are waiting for delivery of their cars at present prices, we are immediately reducing price of every Ford car—Some models as much as \$50. This is a down payment toward a continued high level of production and employment in the months ahead. We believe that shock treatment of prompt action is needed to halt the insane spiral of mounting costs and rising price and to restore a sound basis for the hopeful period of post-war production we are now entering."

Mr. Ford said the company had made a modest profit for last three months of 1946, and intended to continue to operate in the black. He said that the millions of dollars lost since V-J Day had been accepted as an item of the cost of a great and victorious war.

"Because they must build up depleted cash reserves or because they are still losing money, many other businesses may not be able to follow suit," he said, "but we hope that our suppliers, our employees, and our other economic pattern which has helped to make America great—the principle that higher wages and a higher standard of living for all depend upon lower costs and lower prices through increasingly efficient large production."

Mr. and Mrs. Harvey J. Elkins have announced the arrival of a daughter, Mary Ann. The young Miss was born January 18 in Vale, North Carolina.

Mr. and Mrs. L. C. Bond announce the arrival of a son, George Bryant, Monday morning, January 27 at Hendrick Hospital, Abilene. He tipped the scale at 8 lb. 6 oz.

The maternal grandparents are Mr. and Mrs. Tom Teague of Bryant-Link Company.

Miss Mary Boyd of Lubbock spent the week-end here with her parents, Mr. and Mrs. W. L. Boyd Sr.

Mrs. Eva Golden has been in Baylor hospital in Dallas since last Thursday for treatment.

### Young People Fellowship Meet At Baptist Church

Members of the young people and intermediate departments of the First Baptist Church are invited to attend a Fellowship Hour in the church basement next Sunday afternoon at 5:30. Floyd McCoy, director of the young people's work will be in charge of the program which

will consist of signing and special features, followed with a light supper. The group will then go to their classes for Training Union.

This new program is being planned especially for young people and will be held each Sunday if attendance is good, it was stated.

Mr and Mrs. G. W. Tate of Lubbock have been here this week for a visit with their daughter, Mr. Clyde Angel.

### New Members Of The Hamlin Herald Staff

Pictured above are Mr. and Mrs. Donald B. Bryant and daughter, Mary Beth. He assumed his duties as editor-manager of the Herald two months ago, and she is beginning her work as society editor this week. The Bryant's just moved to the C. C. Renfro home from Mineola, where they were with the Monitor and Record for nearly 5 years.

To the right is shown Miss Marjorie Steed who takes care of the book-keeping and office supplies.

Willard Jones of Snyder is owner of the Herald and the mechanical department is handled by June Jones, linotype operator-printer; H. P. McKiddy, operator-printer, and Charles Binnicker, student printer (printer's devil).

If you have a personal item or society story that would be of interest to the people of Hamlin and surrounding communities, please telephone 241.

Grover Carter, Santa Fe engineer is recovering nicely in a San Antonio hospital, following a major operation Monday of last week. Mrs. Carter, who operates Euell's Dress Shop at

the Model Hotel, was at his bedside all last week.

Mrs. E. M. Wilson is in Dallas this week attending the Gift Show. She was accompanied by her daughter, Mrs. John Ferguson.

### PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes, you can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

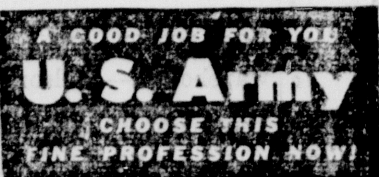

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

## Mrs. D. Loving Gets Thanks for Helping Poles

Mrs. D. Loving has received two letters of thanks from Polish persons whom she has helped by sending gifts of clothing etc. The letters are reprinted as follows:

25 June 1946  
I thank the gentleman or the gentlemen for the gift—the jacket in which I found an envelope and note paper. There were matches and something for the girls. I needed the jacket badly since I have returned to Poland from Siberia or the Far East of Russia with my entire family and found debris only instead of my home. On the whole, the greatest misery.

I thank you once more for the present and request the gentleman or the gentlemen to send me a package, no matter what. I was deported to Siberia in 1939, so was my family in 1940. I came back on 18 May 1946.

My address: Aleksander Jakacki, Wojewodztwo Bialostockie, Powiat Lomza, Gmina Snadowo, Wiesz Siedzputy Morki, Polska, Poland

Lobza, 8 June

Dear Madam,  
Your gift reached me in Poland by way of UNRRA across the ocean. I got your address from the letter and I would like to thank you for the present you sent to our unfortunate Poland, that was harassed by the Germans during 6 years.

We should be rather badly off without your help, as I have 3 children 2 sons, ages 25 and 22, and a 20 year old daughter, all attending school, since they had no school during the German occupation and were forced to clear up the debris in our town, twice badly damaged by air-raids. It is very difficult to buy anything because an entire month's salary in our currency is just enough to buy 15 pounds of bacon. Well, but things are getting better slowly, and even if you are going to help us a lot and if we work hard. We have to rebuild our country which has been devastated to 75 per cent.

Thanking you with all my heart, I wish that God repay you for all you have given and will give to us

‘Four Hundred In February’ Is Baptist Slogan

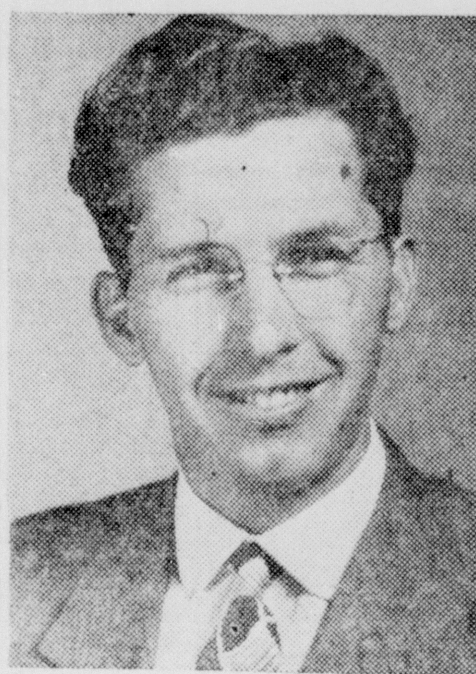

The pastor, Sunday School Superintendent, and educational director of the First Baptist Church have completed plans for campaign to emphasize regular Sunday School attendance. The slogan, ‘Four Hundred In February’, reveals the goal for month average attendance. They are urging every member enrolled in a class to attend four consecutive Sundays next month.

Cards of Cooperation were distributed last Sunday in each department to be signed by those who would make a real effort to be present unless providentially hindered.

The campaign includes two special visitation evenings during the month of February.

Every teacher and officer will be on hand to contact, personally, all those for whom they are responsible.

Rev. John H. Osteen, pastor, is seeking to bring before his people

Rev. John H. Osteen

Supt. Tate May

the vital importance of the Sunday School, is as the one great institution for teaching the Bible to the people as well as a great evangelistic agency and feeder to the church.

Tate May, superintendent of the Sunday School, is a very enthusiastic worker and reminds everyone that there are classes for all ages from

the youngest baby to the oldest adult. Sunday School begins promptly at 10 a. m.

Miss Bertie Agnew of Alpine is here visiting her mother, Mrs. Dora Agnew, while recuperating from an operation which she underwent at Temple several days ago.
